Wood Family

Easter Sunday

CHRIST IS ALIVE, HE IS OUR HOPE

"If the Spirit of him who raised Jesus from the dead dwells in you, he who raised Christ from the dead will also give life to your mortal bodies through his Spirit that dwells in you." ROMANS 8:11

The resurrection of Christ is the principle of new life for every man and every woman, for true renewal always begins from the heart. Yet Easter is also the beginning of the new world, set free from the slavery of sin and death: the world open at last to the kingdom of God, a kingdom of love, peace and fraternity. Christ is alive and he wants you to be alive! He is in you, he is with you and he never abandons you. However far you may wander, he is always there. He calls you and he waits for you to return to him and start over again. When you feel you are growing old out of sorrow, resentment or fear, doubt or failure, he will always be there to restore your strength and your hope. Christ is alive and he remains with us. Risen, he shows us the light of his face, and he does not abandon all those experiencing hardship, pain and sorrow. May the risen Christ, who flung open the doors of the tomb, open our hearts to the needs of the disadvantaged, the vulnerable, the poor, the unemployed, the marginalized, and all those who knock at our door in search of bread, refuge and the recognition of their dignity. Christ is alive! He is hope for each of us and for the entire world. May we let ourselves be renewed by him! Happy Easter!

How might I open my heart to those in need to give myself and them new life?
