From the Desk of Fr. Dan

Greetings all: Hope you had a wonderful Independence Day weekend. Hope it was a blast. As we know, certain parts of Texas experienced horrific flooding. As of this writing, over 100 people have lost their lives, including children. We extend our prayers out to the people of Texas and especially those directly affected by the flooding and those who have lost loved ones.

I hope those of you who heard my somewhat impromptu singing last weekend have fully recovered from the experience.

This week I want us to *Drift Away* and get lost in the rock n' roll back in our minds to our younger days. Hopefully, we fondly remember those summer days of years gone by. Things were carefree, no school, no full-time job, no bills to worry about. I remember going outside to ride my bike, playing ball or the occasional trip "down the ocean, 'hon'" and just enjoying the summer. Since we're in the midst of the summer season, how about some summer music to help us get by. From *Roll Out Those Last, Hazy Crazy Days of Summer* by Nat King Cole to *Summer Breeze* by Seals & Croft, to *Summer in the City* by The Lovin' Spoonful, to *Walking on Sunshine* by Katrina and the Waves, *Saturday in the Park* by Chicago, *Boys of Summer* by Don Henley, to any number of other summer themed songs we can recall. Even genres of music can evoke summertime vibes, like Reggae, think of Bob Marley or Calypso music. Oh, and think of the steel drums. That's an instrument that screams summertime. Now, if even the song is not summer themed, maybe it came out in the summer and when you hear it, it reminds you of the season of the sun. Whatever music reminds you of summer, or even your memories at the beach, the lake or other summer memories, let us cherish them. Summer is a great time of the year, except for the heat. I'm not a big fan of the heat, nor is Bella a big fan. She's laying around more than usual since the heat has really kicked in. Now, I know some of you love the heat, and good for you, but not me or Bella.

And away we go:

The Lord said to John, "Come forth and you shall have eternal life." But John came in fifth and won a toaster.

They say carbs are the enemy. Jesus said to love your enemies. So...

It's so hot...farmers are feeding their chickens crushed ice just to keep them from laying hard-boiled eggs.

Shout out to those who work hard just so their pets can live in luxury, sleep all day and have a stress-free life.

Have fun and enjoy the week.

Almost Heaven Retreats - There is still time to take advantage of coming away for an Almost Heaven Retreat weekend. Taking time away to have a vacation with God is lifegiving and nurturing to our souls. The retreat house is open during June and July for you to make a 2-, 3-, or 5-day retreat. Don't have a spiritual director; not a problem because WWVIS has spiritual directors who will be at the house and will be happy to meet with you for your interest. To learn more, visit our website at www.wvis.org/retreats/ignatian-silent-dorected-renters or email exec.director@wvis.org

VIRTUS training will now be required for employees and volunteers **every three years instead of every year**. Monthly bulletins are available in the vestibule at AOOL and the back of Church at SA's for anyone that would like to read them and it will no longer be tied to compliance. This list will be reflected in the back of the Diocese Sex Abuse Policy booklet and can be found online at dwc.org, under the Safe Environment section of dwc.org.
